

The Florida Sonex Association's

First Member Home Airport

"Spring Sonex Fest"

Zephyrhills Airport (ZPH), Florida

April 13, 2013

10:00 AM – 5:00 PM

REGISTRATION IS REQUIRED

2011 Photo at Dunnellon Airport, Florida

Join the FSA for a casual spring gathering of the FSA at the Zephyrhills Airport (ZPH) on Saturday the 19th of April From 10:00AM to 5:00 PM. Come Say Hello to our very special guests **John and Betty Monnett** of Sonex LLC. Who will be stopping by after completing their Forums at Sun-n-Fun.

Talk with fellow Sonex pilots and Builders located on the field. Aircraft are signing up as you read this. This is the first, of hopefully, many planned FSA Pilot Home Airport events to be held throughout Florida in the future. Lunch will be made available from a local company located on the field.

Special fuel rates will be available to all current FSA Pilot Members who fly-in and wish to refuel during the event hours.

The Florida Sonex Association is a guest at ZPH and due to limited space and facilities we are requiring participants to pre-register so that total attendee information can be provided to the Airport Manager and arrangements can be finalized for food, shelter, facilities and activities. There is currently no limit to the attendance numbers allowed however, this could change. Please help us by registering now to help us better plan.

To register and find out more visit the FSA Website at www.floridasonex.com

Hoping to see you there,

Mike January
